

Honorable Judge Myron Thompson:

I would like to take a moment to address the court in reference to Michael Campbell. Having known Mr. Campbell and his family for years I can confidently speak of what an outstanding person Mr. Campbell has always been. He has a strong faith in God, a sense of loyalty to his family and high moral values. For as long as I have known him I know that he has always made ethically sound decisions. I also feel that the court should consider leniency when considering Mr. Campbell's sentencing in the near future. Knowing that he has a very strong support system in his friends and family I feel confident that Mr. Campbell will continue to make good, sound moral decisions from this point forward. Thank you for your time and consideration.

Sincerely,
